ANYWHERE FESTIVAL

PARK HOPPING

What a weekend! We kicked things off with a fabulous (and free!) show at the Anywhere Festival. At The Outhouse performance, every child received a bonbon — but these weren't your typical party crackers. When they were popped, out came a tiny scrap of paper with a mysterious blue fingerprint... and a surprise twist! They were actually embedded with rocket seeds to plant at home. A quirky keepsake with a green thumb twist!

One of our crew was even chosen to lead the countdown for the "dunny rocket" launch, which had everyone giggling. The kids absolutely loved the show, especially the non-stop jokes and playful surprises.

On Sunday, we made the most of the sunshine with visits to two local parks — CREEC at Burpengary and Dawn Andrews Park in Caboolture. The flying fox and climbing wall were a big hit! One special moment we loved: watching one of our older children gently encourage a younger friend who was stuck at the top of the climbing wall. Such lovely teamwork and kindness on display.

We wrapped up the adventure with a classic sausage sizzle lunch – the perfect end to a weekend full of fun, laughter, and community spirit.

Have you spotted our stunning and very special new artwork?

We are thrilled to share that Respite with Linda commissioned and collaborated with Artist Emma Hollingsworth from Mulganai to create this authentic Indigenous artwork "Threads of Care".

Emma says "This piece celebrates community, family, and the threads that unite them. It symbolises a compassionate, nurturing environment where each person is valued, cared for and loved, and that through this support a person and a community can truly flourish."

Thank you so much Emma, we are so excited to share this artwork with the RWL community!
