30TH MAY – 1ST JUNE

QUEENSLAND MUSEUM

LIBRARY AND LEGO

QUEENSLAND MUSEUM

On Saturday, with our animal lovers in mind, we set off to Queensland Museum in Southbank. Queensland Museum is custodian of the state's natural and cultural heritage, caring for more than a million items and specimens in collections that tell the changing story of Queensland. We loved exploring the different displays and learning some cool new facts.
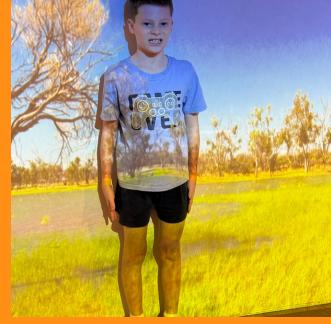

On Saturday night, one of our participants who has amazing future plans of owning his own restaurant, planned and cooked a delicious macaroni dish for us! We were all so proud of his effort and hard work and would love to know if any other participants would like to have a go at planning and cooking a meal, we just need to know in advance for our shopping list!

LIBRARY AND LEGO

On Sunday we headed to the Caboolture Library to have a go at their magic table. Unfortunately we didn't find the set up as accessible as the Redcliffe Library but we still enjoyed having a go. We then went looking through the books available, contributed to the community puzzle they had set up and even hosted our own puppet show! The highlight of the day was definitely the playground outside though and we managed to just avoid the rain and make it home for lunch and more lego building!
