

Surf's Up at Currimundi

What a wave-filled weekend!

After an early start, our crew joined Disabled Surfers Sunshine Coast for an awesome day at Currimundi.

Some hit the waves, others played in the sand — everyone had fun and gave it their best!

Thank you to all the amazing volunteers who made the morning so welcoming and supportive.

**Halloween Weekend
Fun**

Our Halloween weekend started at the Madness & Mayhem Festival and the Halloween Hologram Experience — then continued with loot bag decorating, chocolate spiders , and a front-yard trick-or-treat treasure hunt.

A weekend full of creativity, laughter, and a few friendly frights!
