VR GAMING ADVENTURE

On Saturday, we started our adventure with a sausage sizzle and play at Kidspace Park at Chermside and then we went for our very first go at VR Gaming. We were given a safety briefing before playing, and practiced skills like self awareness, personal distance and safe spaces while playing. The children spoke about the VR Gaming all afternoon, replaying the experience over and over. It was so exciting to try something new!

PIZZA AND A MOVIE

One of the most requested meals at Respite with Linda is homemade pizzas! Sometimes we make the dough from scratch, sometimes we use store bought bases, but we ALWAYS love to add our own toppings and be as creative as our tastes desire, yummo!

On Sunday, with the heat outside at next level, we headed to the cinemas instead of the farm and all enjoyed watching “Wild Robot”.
