I WET MY PLANTS!

FLIPSIDE CIRCUS

On Saturday our adventure took us to "I Wet My Plants" at Alderley. We started off with creating our own terrariums. Our teacher, Renee, guided us through the layers that our terrariums needed then we chose the plants we wanted to add and some cute figurines from Pokemon to spiders, animals and butterflies.

We headed to nearby Grinstead Park for a picnic lunch and a play on the cool playground.

After lunch we headed back to "I Wet My Plants" for a tie-dying experience. We had fun twisting our shirts into shapes for swirls and patterns then we squirted the coloured dyes all over. We are excited to see how the vibrant colours and patterns turn out.

We had an amazing time at Flipside Circus! Our trainers guided us through mini tramp jumps, juggling basics, aerial silks, and building our very own human pyramid. Their patience and clear instructions made the challenges fun and rewarding.

Linda and Helen prepared a delicious spread of savoury and sweet treats for lunch, keeping us energised.

We returned to RWL home base tired but happy, with unforgettable memories of the day!
