## CHRISTMAS ACTIVITIES GALORE!

On Saturday morning we headed to The Craft Haven at Kippa-Ring. We chose a piece of pottery to paint - Christmas items were the favoured choice of the day - from candy canes to Christmas trees. We are looking forward to seeing our pieces after they are glazed and fired.

We had planned to have a picnic lunch at a nearby playground, however, the rainy weather prevented this. Instead, we had lunch back at RWL Home base.

After lunch we drove to Mooloolaba for a special Christmas party at Sea Life. We were invited to, the party by "A Little Sparkle - Bringing Girls on the Spectrum Together". We felt honoured to be invited and to be included in this special event.

Everyone had a great time checking out the many sea creatures. The penguins, sea horse and sharks were definite favourites.

## SEEING THE WORLD WITH PADDINGTON

Indoor activities were the order of the day on Sunday. We were excited to discover that the new Paddington movie "Paddington in Peru" had advanced screenings this weekend - it is not due for release until 1 January, 2025.

With similar themes to the earlier Paddington films, the movies was full of fun, adventure and heart-warming moments.

## FUN DESPITE THE RAIN

The rainy weather played havoc with our plans this weekend. We managed to make it to our planned activities on Saturday but had to abandon our much-anticipated visit to White Ridge Farm on Sunday.

We had fun playing at RWL Home base. We constructed loads of structures with the Lego and Magnetix blocks. We read books and created beautiful Christmas crafts. We even made some delicious Rocky Road. Everyone was keen to take some home to share with their families.
